SAN DIEGO RING 76 OCTOBER 2025 VOL. XXXV #10

Many Treasures Were Found at the Swap Meet

The theme for Ring 76's September meeting was our annual Swap Meet. The doors of our meeting hall were opened early in order to give the ten vendors more time to unload and set up. Then, for two hours, this year's Swap Meet accomplished more than buying and selling.

This yearly event again promoted the art of magic throughout the San Diego region by attracting active club members, their family and friends, as well as the general public.

Special thanks to Mike Stillwell, Sherry Luft, and Alvin Revilas for helping out at the library sales table.

Terry Lunceford - Honorary Lifetime Member

Congratulations to Terry Lunceford, for being elected unanimously as an Honorary Lifetime Member at the September 8th Ring 76 meeting.

Terry Lunceford is one of the most famous, well-known Magicians from San Diego in the entire world. He has been involved in IBM Ring 76 since 1989, as a volunteer, a member, a performer, a teacher, a mentor and an officer. In 2002 he organized a showcase performance of IBM Ring 76 members for the International Brotherhood of Magicians convention in San Diego. From 2007-2009, he served as President of the club in Jack White's Magic Clubhouse. More recently, he won Performer of the Year in 2016, along with Close-up Contest Winner and Stage Contest Winner, for his performances at club meetings in Old Town.

For five decades, Terry has distinguished himself as a masterful showman within the world of Magic. He has been performing and lecturing at the Magic Castle in Hollywood. He has also lectured for the Magic Circle in England. Terry has headlined at Caesar's Empire in Las Vegas, Wizard's in Japan, as well as at venues in San Diego such as The Magic Lounge, The Gathering, Prestige, and Mystique Dining. Terry has invented and sold several magic effects including "The Viper Snake Basket", "Six Card What?", "Pocket Cards" and "The Floating Finger Ring". In 2001, with magicians J.C. Wagner, Johnny and Pam Thompson and Pop Haydn, Terry produced "Terry's Magic Pub", the first pay-per-view televised magical event. Over the years, Terry has found time to also volunteer for charity events and donate magical effects to our club events, raffles and auctions.

President's Message

Dear Ring 76 Members,
I heard great comments about the SWAP meet as well as our new Website and Newsletter! October is spooky magic or Halloween Magic, Voting will be on the theme and presentation. Who will get

bragging rights for October? Reach out to Paul Dwork your V.P. of Entertainment if you want to participate.

I will be doing another presentation on "How to be a success in the Entertainment Industry". This chat will be "What do I give my Tax person?" There will be more forms for you to take home. I will also be doing a Broken Wand Ceremony for past member Armando Torres.

Great News!!! As per suggested by our TVP of California to split the Secretary's job, Max with an X will document the club's meetings and send the report to national so our Ring report will be in The Linking Ring for all to see what our incredible ring is doing. Please join me in thanking Max who is also your treasurer. Now all we need is a person to sit in on the board meetings and document the meeting. It's an hour and each officer gives a report. Please, help out your ring...

Also, don't forget, you can come as early as 6:00 if you want to do some jamming and maybe help set up our chairs. Also bring a few bucks for the 50/50 opportunity drawing which helps out your library. Not to mention all the great door prizes given away at each meeting! If you are in the giving mood, we need a case or two of water. (to go with those incredible treats that Alvin and others bring to the meetings). If you have any input, please reach out to your officers.

See you Monday, October 13th, 2025

Sincerely,
Mike Stilwell
Ring 76 President

Upcoming Events

Monday October 13th is your chance to compete and/or come in costume so no one will recognize you (embarrassment eliminated). I, Paul Dwork, as your VP of Entertainment would be so pleased to see new faces competing. This will be a fun meeting. I will be the first to volunteer with an "electrifying" experience for everyone, Is it science? Or is it magic? Or a little of each ? as seen through the eyes of Professor Paul. Just step up for a short routine, or take the full 8 minutes, and let your peers get to know you better.

Please email me at VPentertainment@Ring76.com or text 805-377-0036 and give me the approximate time of your performance so I can work everyone in on our total time allotted.

Monday November 10th we have a lecture on restaurant magic with **Shawn McMaster** - *Deceptive Dining*.

Shawn McMaster is a corporate entertainer who has performed all over the world. He has performed his brand of comedy magic in clubs, theaters, Las Vegas, Off-Broadway, cruise ships, and is a favorite at the Magic Castle in Hollywood. He has appeared on TV shows such as *Masters of Illusion* and *America's Got Talent*.

Shawn is also a writer of many books and articles on magicians and the art of magic that have appeared in numerous magic and mainstream publications. He was associate editor of *MAGIC Magazine* for three years and remained a contributing writer right up to its final issue. He was also the creator and editor of magic's first all-digital magic publication (yes, even before *Vanish Magazine*), entitled *The Mandala*.

Shawn McMaster has been working in the trenches making his sole living with magic for 33 years. During all that time, he has rarely been without at least one weekly restaurant gig. Early on, he was working two to three a week. These days, Shawn is a world traveler, working engagements and corporate events around the world, yet he still keeps a very successful presence within restaurants performing for patrons and making restaurant owners very happy with his work. His lecture *Deceptive Dining* is a highly-informative study on the business of restaurant magic. Not only the best type of effects to perform in a restaurant setting, but an in-depth and detailed blueprint of how to gain, keep, and profit from a regular restaurant magic gig taken from over three decades of real-world experience will be presented in this lecture. If you have ever thought about performing in restaurants of any kind, you cannot afford to miss this.

Free for members, \$20 for non-members.

We have a new Voting Policy

1. Each contestant will have a number.
2. They will be listed in a white board by number and stand in numerical order for voting and easy recognition for our members.
3. An announcement of who can vote.
4. Ballots will be up front, and members will come pick up their ballot, pencils there, vote, drop ballot in jar, leave pencil and go.
5. I will then take the ballots home and tabulate.

Result: Visual, Supervised, and fast. No more randomly handing out pencils and ballots.

This will also encourage everyone to vote, recognize the one they want to vote for by name or number.

Fast, Quick, and Efficient.

Professor Paul, VP of Entertainment

**October is upon us and you know what that means.
Ghosts and ghouls plus lots of spooky magic.**

If you want to create a memorable event for your kids or grandkids, consider a classic ghost story night. First, set a spooky atmosphere by turning off screens and dimming the lights to let imaginations run wild. Then, access the Ring 76 Magic Media Server, find a ghost short story in the Magic Audiobooks section, and play it aloud. Just be prepared for the possibility that the kids might want to sleep with you afterward!

Rotary Creates Magic

This is real Special. Professor Paul, Paul Dwork's 40th Annual Fundraiser Show is **February 28, 2026**, at the Carlsbad Cultural Arts Center Theater.

As a proud member of IBM for 40 years, and a member of the best club in the country, I am extending this fundraiser to include our club.

Personally I take nothing for producing or participating in the show. The funds go directly to the Rotary

Foundation, which is a 501 3C Charity. We will share in 50% of the ticket cost or \$30, when allocated to our club at time of purchase. When tickets purchased on line, you will check the box for IBM, and our sales will be tracked by Ticket Spice. I am proud to add our IBM to the list, and hope you will share the flyer with everyone you know.

This will be my first year doing a Matinee. The theater holds 400 for each show, and I have Sold Out for 39 years.

Great gift for any occasion also.

Thank you.

Ex Libris

By Gary D. Salisbury

Welcome to Ex Libris, my monthly newsletter article about the IBM Ring 76 Library in San Diego, CA.

‘Ex Libris’ (Eh-cks LEE-breese), means ‘From the Book’. Generally, you will see this term used on bookplates to denote that it came from the library of its owner. For example: “*Ex Libris: Gary Salisbury*” is on all my personal books.

This is where we talk about your library as well as do book and video reviews. Yes, your library! If you are a Ring 76 member in good standing, then this is your library! So be sure to stay in good standing by paying your dues on time.

Someone recently asked me, “*What is the Ring 76 Library?*” I responded, “It is a collection of magic books and magazines, all available for check-out. It is a collection of magic themed audiobooks, magic instruction videos, magic movies, albums of magic music (some royalty free), a collection of public domain magic performance videos (many classics), a collection of magic podcasts that we co-host, magic TV series, a photo warehouse (where we will save all our Ring 76 activity photos) and all this is available for streaming from the *Ring 76 Magic Media Server*.”

It is also a museum for a collection of historic Ring 76 memorabilia from one of our founders, Honest Sid Gerhart. It is a magical learning source unparalleled in the entire IBM organization and it is funded totally from donations and fundraising efforts that I have engaged in on your behalf.”

Recently we heard a rumor from a non-member that we were stealing videos and putting them on our server thereby robbing hard working magicians from money they deserve. We respond, “ABOSOLUTELY NOT!” We have a very strict policy against pirating any media where it be digital or printed. In fact, if you donate any merchandise that has even the slightest hint of illegality, we will politely refuse it. The only media on the server is media that we legally own.

It is our understanding that per the Digital Millennium Copyright Act (DMCA) 1998, that you are legally allowed to make one back-up copy of any digital media you own. Our back-up copy is what we have on the *Magic Media Server*.

Streaming saves you from having to check out the physical media. You can stream the videos but not download them and the only exceptions to downloading, are the pictures and graphics in the *Ring 76 Photos & Videos* library.

As members of Ring 76, it is your job to defend the Ring against any slander. Perhaps the best way to deal with this in the future is to follow the rules of *Fight Club* and what’s the 1st rule about *Fight Club*? *You don’t talk about Fight Club*.

If anyone has any further questions about this, I am at your service.

It’s October and you know what October brings....

Spooky Magic..... Are you ready?

WHAT’S NEW AT YOUR LIBRARY?

We need your DVD and VHS tape videos. They will be put on the [Ring 76 Magic Media Server](#) so members will still be able to watch them or check the physical media out. Please help. Sharing is good! Sharing is fun!

Library Donations:

The library needs to be fed in order to keep it alive, so your donations would be greatly appreciated. It’s your library so please support it.

We received the following donations last month:

- Dr. X donated more magic oriented audiobooks which have been put on the [Ring 76 Magic Media Server](#). (details below)

We do have a recent promise of a retired non-member magician who will be donating his magic to the library for your benefit within the next few weeks (still waiting... and waiting...)

Which brings up the subject of, “*What will happen to your magic after you do your final bow?*” If you would like all the members of your magic club to benefit from it, in your memory, then consider naming the [Ring 76 Magical Arts Library](#) as the beneficiary of your magic. The library serves as the recipient of all donations for the club and will make sure you are remembered in passing.

This has to be in your will or trust, in order to be effective. If you tell your heirs that you want Ring 76 to receive it, that isn’t good enough to guarantee it happening. Your heirs may decide to do as they wish, not as you wish.

As for myself, I specifically say in my trust that [Ring 76 Magical Arts Library](#) will receive all my current magic library which is about 350 volumes. I had already donated my video library of over 300 videos to the library to get the [Ring 76 Magic Media Server](#) started. How about you? It’s later than you think!

Ring 76 Magical Arts Library (Books):

We did not purchase any printed books this month. We have 4 books out on loan and 3 pending this month to members. Remember to return your books when your loan period is up or extend it for another month by notifying me.

Ring 76 Magic Media Server (Streaming Service):

I am still working on ripping magic videos, of which there are about 20 more of the originals left to go, plus another 35 from the Malcom Cambell donation, and I purchase 24 at the Ring 76 SwapMeet. There were 51 new magic-oriented audiobooks added

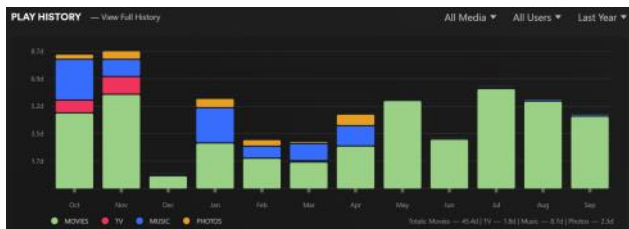

in August. I have an additional 262 that have already been ripped but need some editing work. (Multiple files that need combined into a single file.) Volunteers, anyone?

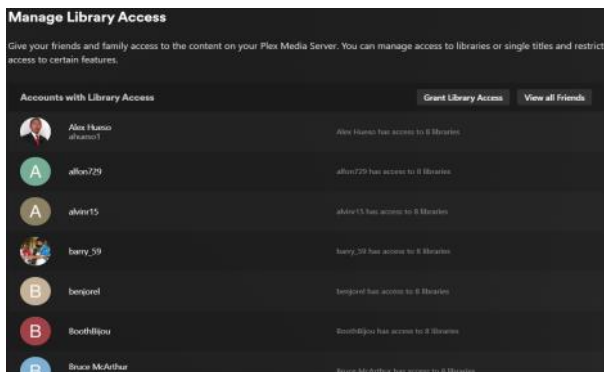

Plex only offers 4 categories:

- **Movie Category** in **green** (*Magic Instruction, Magic Movies, Magic Performances*)
- **TV Category** in **red** (*Magic TV & Radio Shows*)
- **Music Category** in **blue** (*Magic Audiobooks, Magic Music, Magic Podcasts*)
- **Photos Category** in **orange** (*Ring 76 Photos & Videos*)

Here is the yearly utilization report:

NOTICE: Please change your PLEX ID to your name so I can tell who is on the server. Here is what I currently see:

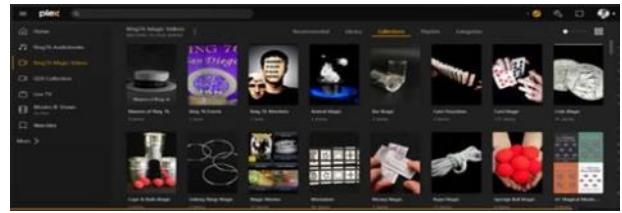

If you use a coded ID, I may not be able to tell if you are a legitimate user. Also, please add your photo so I can associate names and faces. Thank you for helping me with this.

We currently have a wide variety of magic oriented material on the *Ring 76 Magic Media* server in hopes to have something of interest for everyone. Please tell me if there is something else you would like to see there. We have lots of new things this month. You need to get logged on and do some exploring.

FREE VIDEOS: Do you have your eye on a video from your favorite magic dealer but were holding back because of the cost? Have I got a deal for you! Just tell me what you want to buy and I will take a look at it. If there are funds and it is something that would benefit all the members, then I may be able to purchase it and put it on our Magic Media Server where you and others members can enjoy it.

This magic machine is your key to learning and being entertained. It is a benefit from being a Ring 76 member so please make use of it.

How would you like your videos featured on the *Ring 76 Magic Media Server*? Just forward any of your performance videos to me and I will put them on the server in the **Magic Performances** library where everyone can see you perform.

Do you have an account on the *Ring 76 Magic Media Server* yet? It is the best thing since Netflix and it's FREE for members of IBM Ring 76! Send me a request at librarian@ring76.com.

NEW MAGIC MEDIA (audio/video):

In the **Magic Instruction** library, you will find new videos that the club owns, that have been digitized for streaming.

(If you do not hear back from me within 24 hours, there may have been a technical problem so call me.) I will make sure the item(s) get to the next monthly meeting or you can pick it up at my home in Blossom Valley.

There is a limit of 4 items per month. You will need to sign the library card attached to the item along with your phone number. We ask that you return the items to the library on or before the monthly meeting for the following month (for example: If you check out a book at the July meeting, it should be returned on or before the August meeting). If need be, you can keep the book or video again if nobody else has requested it but you must sign for it again.

Our objective is to build the best magic reference library in the entire IBM organization world-wide but we need your help to do that. Please return over-due books & videos and donate regularly to your library. The library is here so YOU can learn how to perform magic. Use it! Am I doing a good job for you? Do I meet your needs? Please email me with any comments or suggestions.

From my secret underground bunker, hidden deep in the hills outside San Diego, California, I wish you a magical month and I will see you again in the next newsletter. May the *Classic Force* be with you.

MAGIC FOR SALE:

INSIGHT PRO BY HUGO SHELLEY (NEW) - \$350

[PRICE REDUCED]

PRODUCT DESCRIPTION:

Insight has evolved – featuring a new reader with the ability to detect three cards simultaneously! Retail for \$550 but is out of stock everywhere I have looked.

Insight Pro includes a deck of 52 electronic playing cards. Invisible RFID chips embedded in each card transmit the suit and value to the Insight reader, a miniature device that will quietly vibrate the value of the card, or send it to a nearby iPhone.

THE BASIC EFFECT:

The performer hands the deck to a volunteer and invites them to choose their favorite card, placing the rest of the deck aside. Without touching the volunteer or the deck, the performer reveals the chosen card. Included are seven incredible new routines by Colin McLeod and Mark Elsdon.

THE READER:

The reader features both wireless transmission and on-board vibration cuing. At only 77 x 33mm it's incredibly small, with a range that allows you to detect cards and tags with a single gesture. The battery will last for over 10 hours on a single charge and is both rechargeable and replaceable.

THE DECK

The Insight deck (Phoenix edition) is the very first electronic deck to be designed from the ground up specifically for magicians. The chips and antenna are embedded in the cards during the manufacturing process, ensuring that each card is perfectly thin and flat. The deck can be shuffled and handled in the same way as an ordinary deck, and is designed to last a lifetime.

SPECIFICATIONS:

- Dimensions: 77 x 33mm
- Battery life: 10 hours (rechargeable & replaceable)
- Range: 11cm from the Insight playing cards to the reader, 10m from the reader to a nearby iPhone.
- Includes: The reader, 52 electronic playing cards, Velcro wrist strap, instructions and routines.

custom magic wand, knit balls, velvet bag and John's performance video. (Will sell separately. \$300-cups & \$125-chop or \$375-both)

TENYO T-174 CLYDE MAGIC RABBIT (UNUSED) - \$125

Ask a spectator to select a card from a deck, remember it, and place it back anywhere. Now this is where the magician traditionally tries to find the card. But not this time! Instead Clyde the magic rabbit will find it. Clyde is a wonderful idea, a great prop, and a guaranteed audience pleaser. This is a wonderful 'puppet' effect where the magician holds a stuffed bunny which appears to have a life of it's own. Several effects with this wonderful prop are suggested in the instructions including "card in carrot."

Even if you don't use this item for a magic act, it's a wonderful collectible item and also a great prop for puppeteers. Comes complete with original box.

The rabbit itself looks very nice and is of superb quality. When you use the rabbit as the instructions say, it really does look like it is alive – very well done by Tenyo and is now a sought after collector's item selling elsewhere in the \$200 range.

RUN DRAGON, RUN! (UNUSED CONDITION) - \$100

\$2.85 LOCKING COIN TRICK (JOHNSON) - \$40

Retail=\$75 (Out of Production)

For the connoisseur of fine magical apparatus. Same effect as The Locking Dollar Thirty-Five trick but using two silver dollars, a half dollar, quarter and a dime. Everything vanishes except for one silver dollar, and that can be examined with a magnifying glass. Easy to follow routine also included. *Missing the silver dollar bang ring.*

The magician produces four coins, two coins of dollar, a half-dollar one, a quarter and a dime. He puts one to one inside of his left hand, then he removes a dollar coin and opens the hand all the other coins will have disappeared.

CARD-SHARK'S MARKED PHOENIX DECK (NEW) - \$20

Card-Shark meets Ted Lesley. This is a dream come true for all magicians who love to use a marked deck. The markings are based on the ideas of Ted Lesley, are extremely visual compared to all other marked decks on the market as they perfectly blend into the design of the Phoenix backs.

All markings are situated at the same spot right in the corner, so even the slightest opened fan will allow you to read the marking. If the back design gets into view, you will be able to spot the value. Can't get easier!
